

Keith Hershey

Keith and Heidi Hershey responded to the call of God on their lives and launched into International ministry in 1983. Being married only six months, they found themselves involved in various endeavors in the Middle East, working with Arab and Jewish leaders as well as conducting evangelistic campaigns and teaching seminars throughout the continent of Africa. It was during this year of ministry overseas that their hearts were enlarged to give their lives to helping people in developing nations around the world.

Upon returning to the USA in 1984, Keith and Heidi launched *Mutual Faith Ministries Int'l*, a non-profit evangelistic missionary organization to motivate the leaders across America to join their faith together to have multiplied power and potential in bringing the message of redemption! Over the years the Lord has blessed the ministry in very unique ways as various ministry programs have been developed.

Keith Hershey's vision focuses on a three fold outreach which is **preaching, teaching and reaching**. The main thrust of the ministry is to **preach** the Gospel to every creature! This evangelistic thrust crosses all economic and religious lines, and the Word is received with joy by nation after nation.

The second thrust of ministry is in the area of **teaching**. *The L.I.F.E. Leadership Institute* is an on-site training program to equip people to Live In Fullness Everyday and give LIFE away! The materials and literature that are presented are most powerful and practical for personal use.

The **reaching** aspect of ministry is to help the hurting and sick. Large containers of medical equipment, food, vehicles and supplies are sent to developing nations and released in Jesus' name. Medical clinics have been established, Bible Schools have been equipped and refugees have been clothed and fed through this very practical program.

Keith Hershey's has also written and published numerous books, including his latest releases, *You've Got The Whole World in Your Hands*.

Additionally, Keith hosts the weekly television program, *L.I.F.E. Unlimited*, airing in over 120 nations and is translated into Arabic, Spanish and Russian.
